Application No. 10/715,404 Reply to Office Action of March 10, 2004

REMARKS

Favorable reconsideration of this application in light of the following discussion is

respectfully requested.

Claims 1-20 are pending in the present application. No claims are canceled, amended,

or added the present amendment.

In the outstanding Office Action, Claims 1-20 were rejected under the judicially

created doctrine of obviousness-type double patenting as unpatentable over Claims 1-20 of

U.S. Patent No. 6,671,376. Accordingly, to overcome that rejection, a terminal disclaimer is

enclosed.

Accordingly, it is respectfully submitted that Claims 1-20 are allowable.

Consequently, in light of the above discussion, the present application is believed to

be in condition for allowance and an early and favorable action to that effect is respectfully

requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,

MATER & NEUSTADT, P.C.
